## RELATIONSHIPS

How much fun do we get when we hook up with fellow motorcycle enthusiasts? LOTS!

Are we only felonious culprits awaiting the next challenge that comes our way? No, we're decent, fun-loving adventurers wanting a way to join in on a *Safe and Enjoyable Adventure* with fellow SNM HOG members. Such an effortless way to develop long lasting wholesome relationships with like-minded folks.

We've endured challenging times and yet managed to overcome all kinds of disparities. Just seems as though we owe it to ourselves to get out there and ride. You know, reward ourselves for accomplishing so much.

Breakfast, lunch, dinner, "brown bag" gatherings, picnics, pizza-in-the-park, "dinner-out" socials, and even Chapter Meeting binds us as kindred spirits.

A lost relationship demands of us to gather our wits, open our souls, and live. We cannot afford to become complaisant and shrug off our relationships with like-minded soles by saying "well that's life". Life is rewarding only because we make it so. As one smart person said: "we should endeavor to persevere"!

Let's get riding, partake of the sunshine, cloudy days, rain, open road, morning sun rises and the glorious wonders that one can see everywhere.

There are actually "spacious skies", "amber waves of grain", purple mountains majesties" and so much more. What awaits us from "sea to shining sea"? I don't intend to miss out on any of *America the Beautiful*. And neither should you.

You only must have a smidgen of motivation. Move your bike out of the garage. Throw a leg over the saddle, push the start button and be part of our "bad ass" relationship.

You can do it – I know you can!

No excuses now, your fellow travelers are anxiously looking forward to seeing you.

Are you there? Ah, I see, so nice of you to join in!
